Dear Joyce,

I wanted to thank you and the awesome team members of Exploding Bacon for your help at the Orlando Mini Maker Faire on October 5th. As always, Exploding Bacon members did a wonderful job representing *FIRST*, and helping OMMF visitors see the value and fun of *FIRST* programs.

Please pass along my gratitude to them, and please know how grateful we at *FIRST* are for your continued support of these great young people, and of *FIRST* in Florida.

Wishing you every success this season and always!

Kind regards,

Terri Willingham
